

## Adena Youth League Sponsorship/Advertising

10673 St Rt 28  
Frankfort, OH 45628

Dear “Friend and Supporter” of the Adena Youth League,

The Adena Youth League is a 501c3 nonprofit organization created to support our area youth in their pursuit of extracurricular activities and athletics. We understand the importance team sports has on the social, emotional and physical development of our youth. Our board works together with each individual sport to ensure they have the support necessary for our local kids’ success. We help to provide safe equipment, support for coaches and we seek opportunities to assist families in providing opportunities to their children.

We cannot do this alone. We count on the generous support of community members, like you, and local businesses to make this happen. Your advertising will provide opportunities for our local kids by funding league and/or participation fees. You will be helping to provide sports equipment and supplies necessary for participation. You will be helping to maintain facilities such as our baseball fields in Clarksburg and Frankfort. You will be helping to provide scholarships for individuals who otherwise would not have the opportunity to participate in extracurricular athletics.

Adena Youth League partners with community members, like you – exchanging a sponsor’s monetary donation for quality, inexpensive, advertising. This advertising is designed to assist your business, or name, with positive brand recognition – and as a token of our appreciation, recognizing your generous support for the boys & girls of the Adena Youth League.

We have a few options in which you can support the Adena Youth League.
